Reading the following key information

13:14

GOOD DRIVER club

Go on

GDC is not insurance.

It’s a club of careful drivers who share costs with each other.

To keep things fair and stable, we only accept low-risk drivers:

- ❌ no DUIs
- ❌ no repeated accidents
- ❌ no business use

That sounds fair

13:15

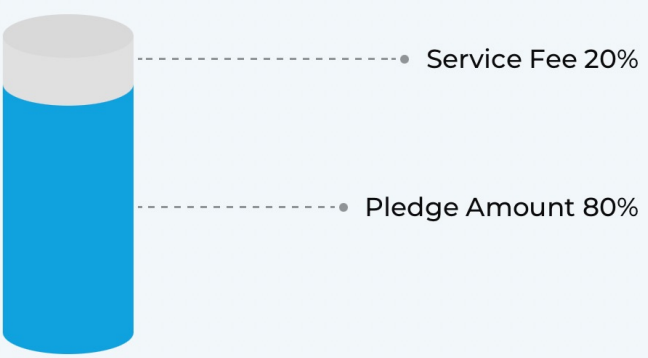

GOOD DRIVER club

That sounds fair

But GDC is more than just a filter. It's built to truly **reward safe driving.**

Instead of paying the full quote upfront, you only pay 20% as service fee to get started.

The **remaining 80%** isn't taken upfront — it stays with you as your **Pledge Amount** and is authorized for weekly sharing.

Got it — what's weekly sharing?

13:16

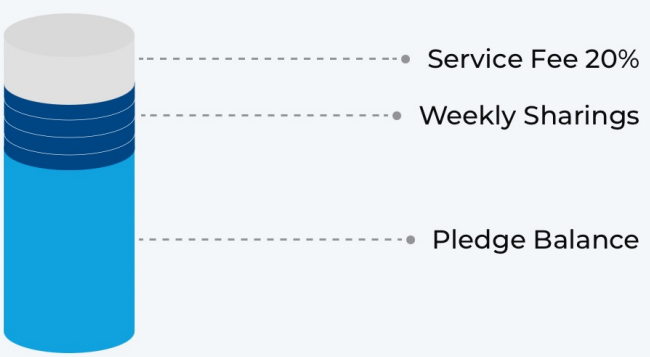

GOOD DRIVER club

Got it — what's weekly sharing?

Once your plan is active,

each week, members contribute based on actual accident costs in the community.

Your weekly sharing comes from your **Remaining Pledge Balance**, and can vary week to week based on the real costs.

How can I save from this?

13:16

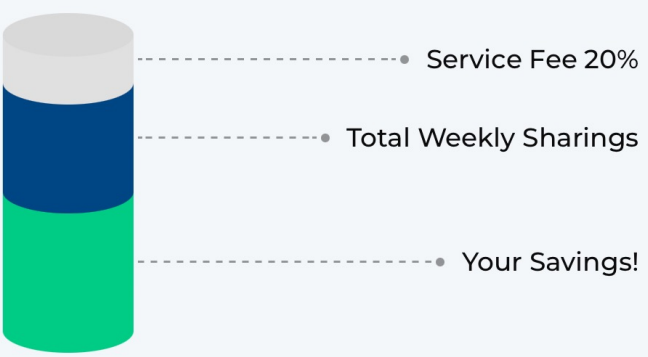

GOOD DRIVER club

How can I save from this?

If you go 6 months **without an accident**, you only pay for those weekly sharings.

Whatever is left in your Remaining Pledge Balance stays with you.

💡 **You keep it—**
that's your savings.

How much can I save?

13:17

GOOD DRIVER club

How much can I save?

The exact numbers vary depending on the Club's accidents.

But for drivers with no accidents,

saving up to 40% is realistic.

What if I have an accident?

14:16

GOOD DRIVER club

What if I have an accident?

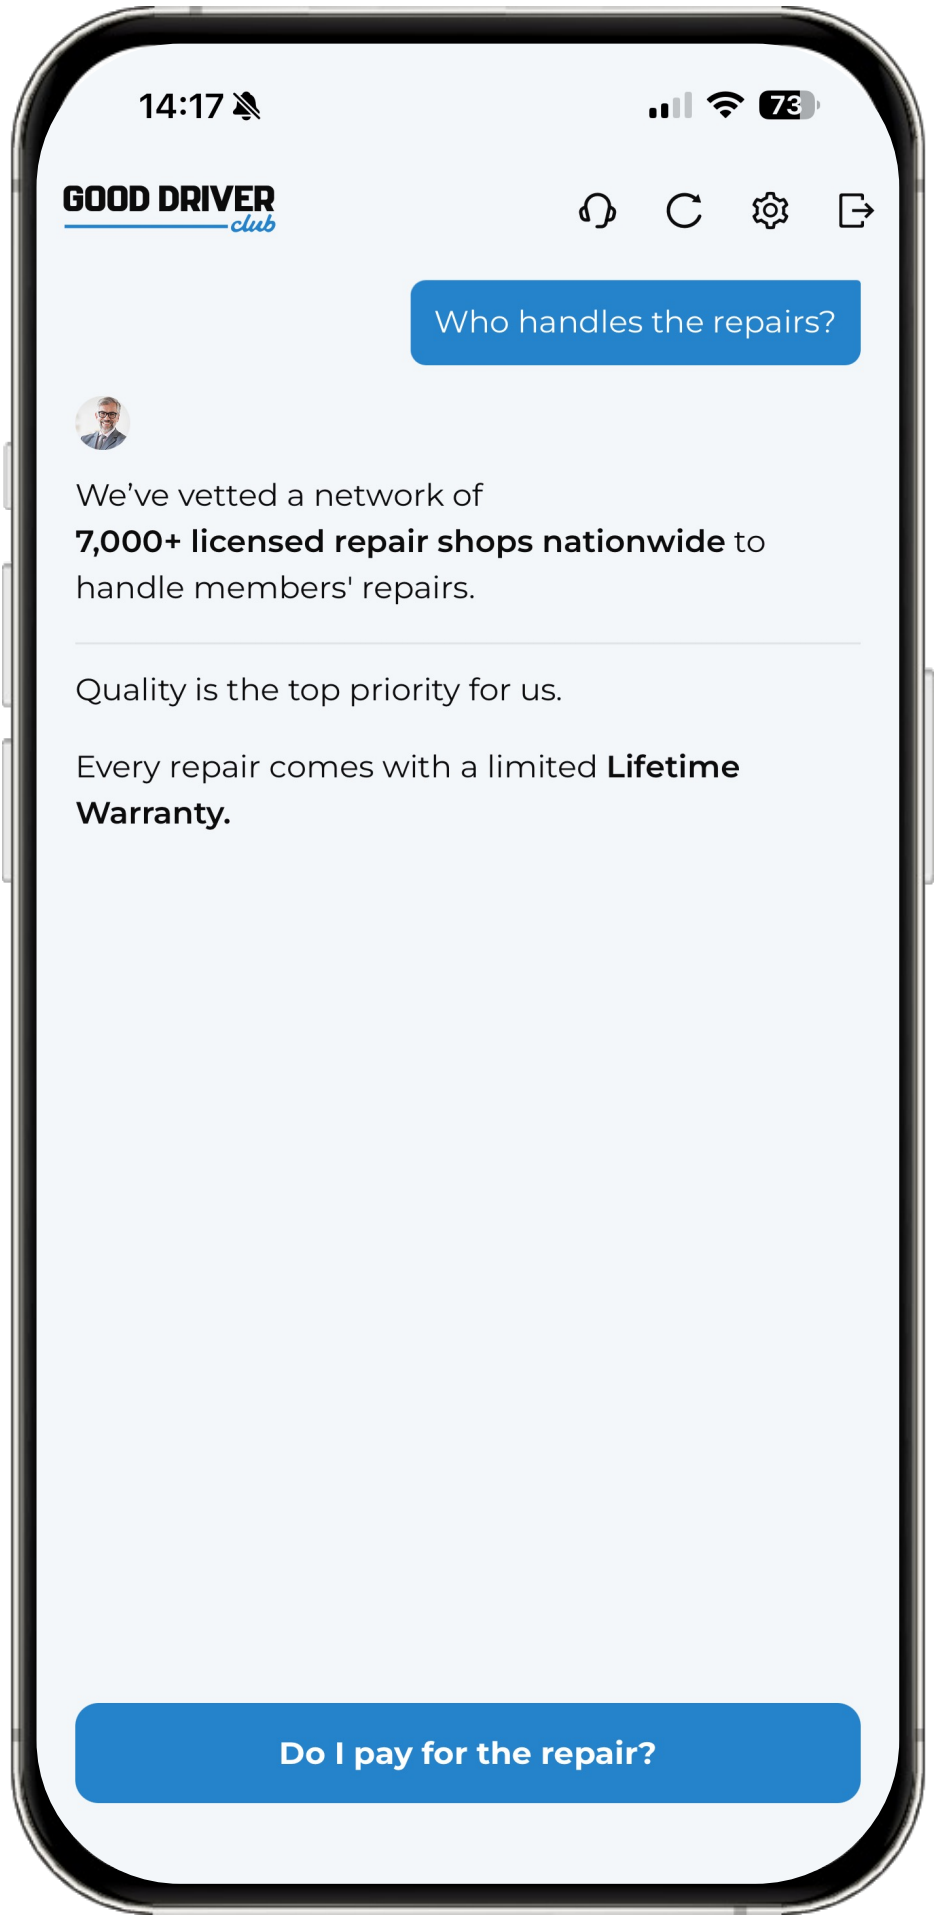

Don't worry —
even good drivers have bad days. ☔

If an accident happens, just report it in the app.

Our team provides the professional handling and support to **manage the repair process for you.**

Who handles the repairs?

Who handles the repairs?

13:19

GOOD DRIVER club

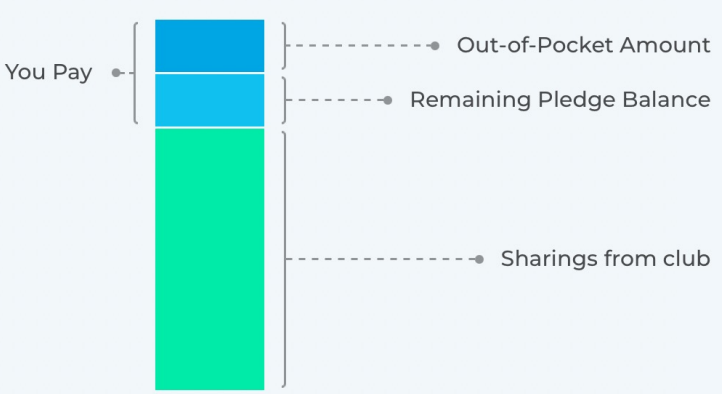

Do I pay for the repair?

Yes.

You pay your **Out-of-Pocket** amount — chosen during your quoting process — along with your **Remaining Pledge Balance**.

The rest is shared by the community 🤝.

How to pay the repair cost

For every incident?

13:19

GOOD DRIVER club

For every incident?

Yes—the process is the same.

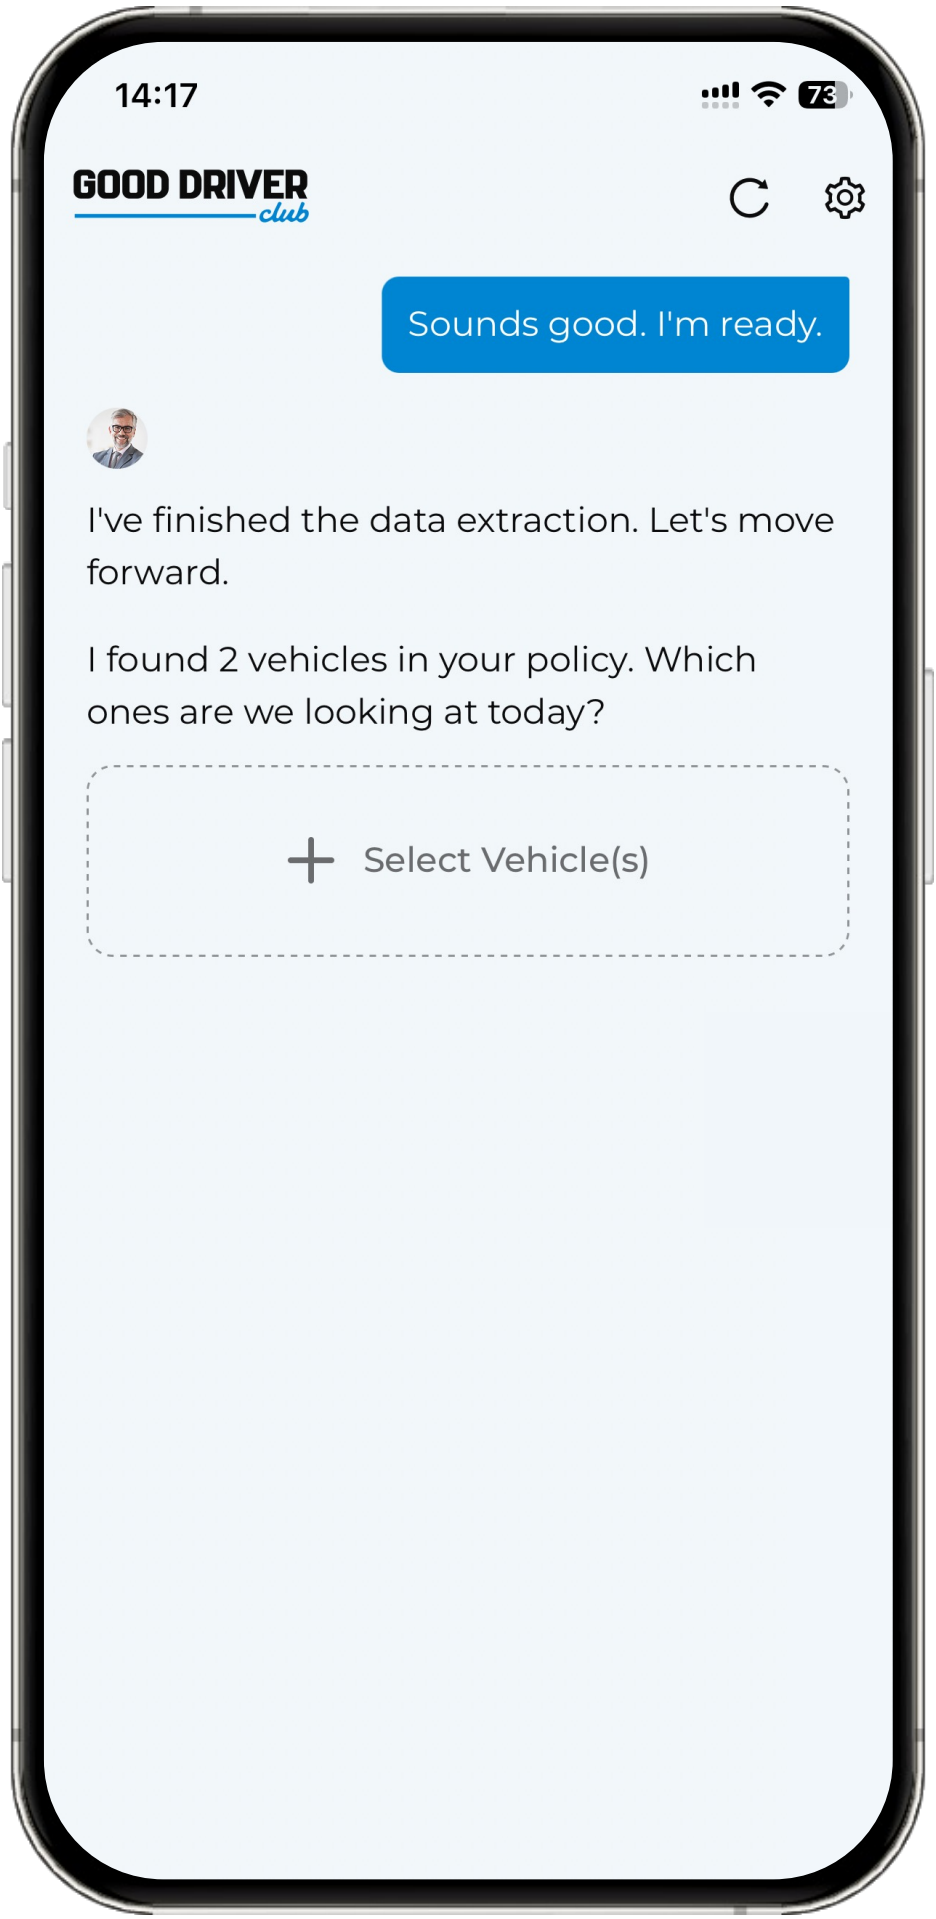

We believe in transparency.

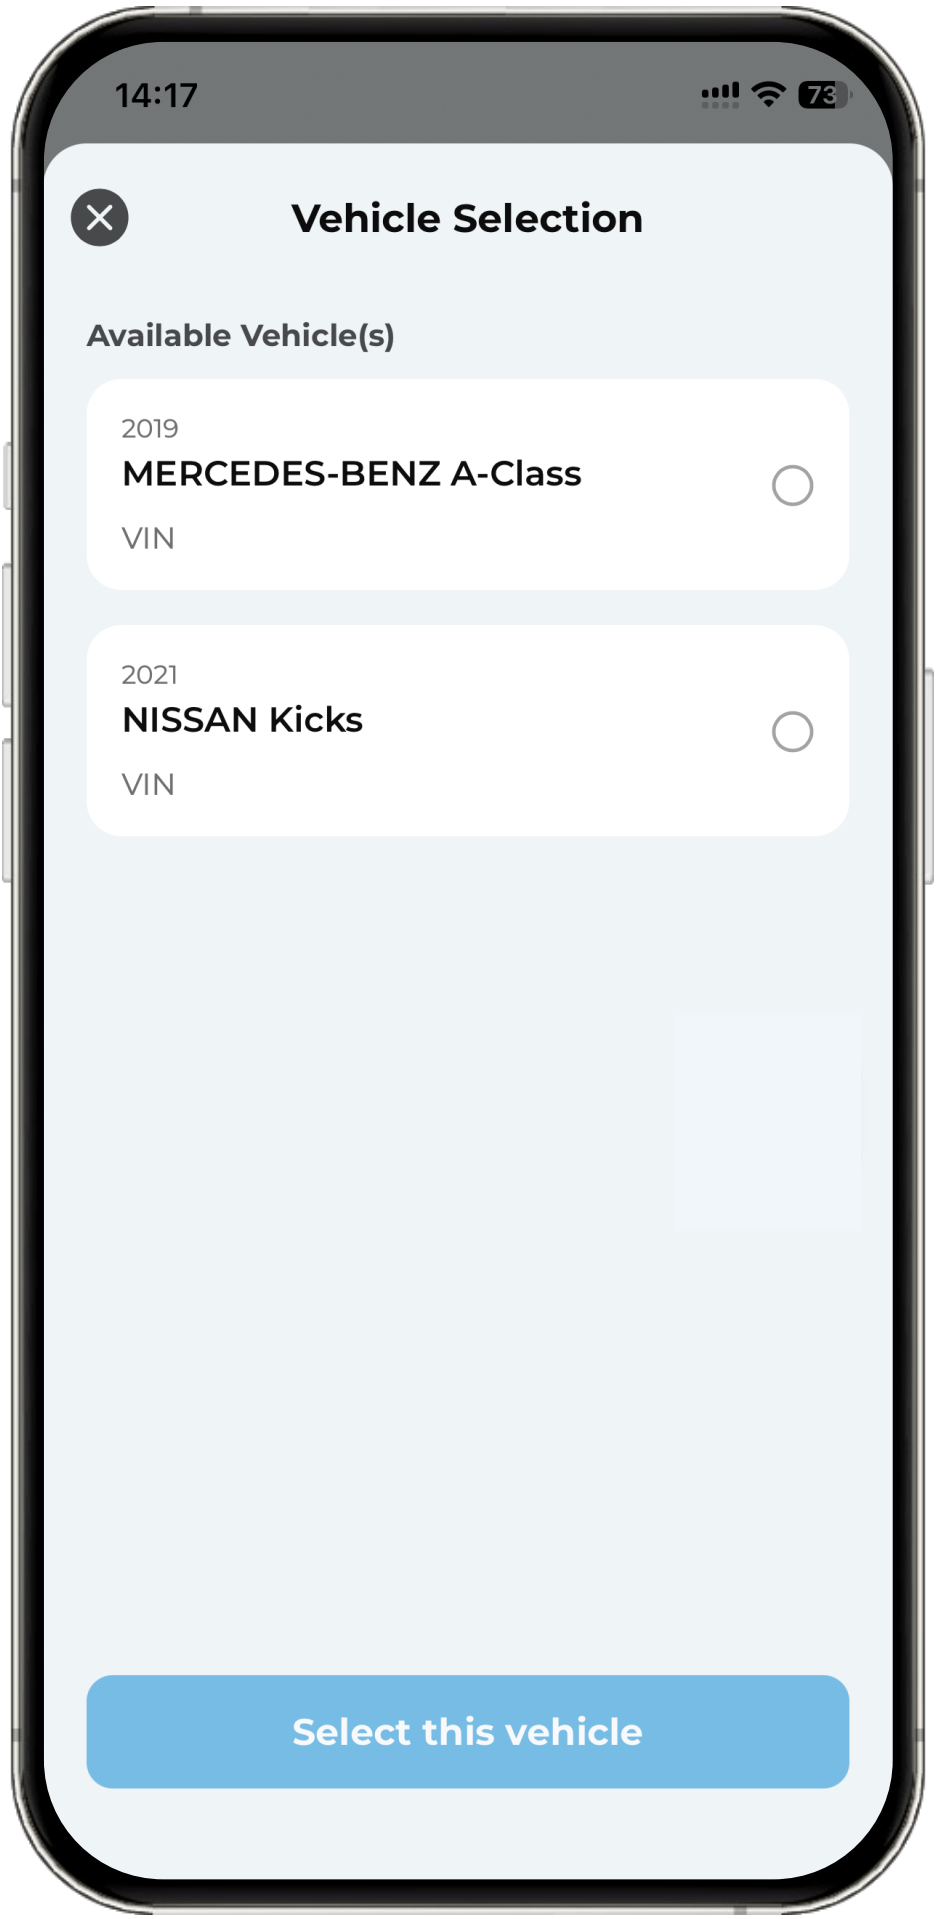

Every week, we publish all eligible events — along with real accident photos and repair shop invoices.

We’re an open book.

Sounds good. I'm ready.

Before we continue, let’s go over these key details again.
GDC is not insurance.
Instead, members share qualifying repair costs with one another. This model helps provide accident-free drivers with the opportunity to save money. But unlike auto insurance, it does not provide guaranteed loss payment.
